Terms and conditions regarding above given services are cited in Marinturk Marinas Operating Regulations for Yachts and Yacht Owners. Aforecited Regulations is an integral part of this price offer.

The validity of this price offer depends on the eligibility of yacht to services decided by harbour authorities upon examinations.

Harbour authorities have the right to abstain from giving any kind of service on the conditions that the yacht;

- a) does not provide technical requirements for the service,
- b) has the liability to get damaged during the service,
- c) may cause damage to marina, other yachts or people.

Our company is not responsible for any damage in case the requested service is not provided.

This price offer is valid under above given conditions. Direct or indirect acceptance of this offer stands for acceptance of these conditions.
